Program Highlight

Individual Placement Support (IPS)

IPS supports individuals in finding employment as part of their recovery plan. The program is offered to individuals who are recovering from opioid addiction, between the ages of 18-25, and undergoing guidance and treatment from GLRC in Chippewa County. The services provided include, support and guidance in your employment needs as part of your recovery needs, support in exploring the local county job market, building a career plan tailored to your previous experiences, and cover letter and resume building experiences. For more information about the IPS program please view the brochure [here](#).

GLRC News

Staff and clients were able to harvest the two raised garden beds at Adult Residential Services in Marquette before the snow came. Thank you [Community Foundation of Marquette County](#) for the grant that helped us build the garden beds.

The LIVE Campaign launched on September 1st. The campaign, created by West End Suicide Prevention, is a positive mental health campaign that encourages self-care and compassion in our communities. To learn more about LIVE and see the LIVE commercial, visit the website at www.glrc.org/wespl/.

GLRC's Medication Assisted Treatment (MAT) clinic in Ishpeming has moved locations to 97 South 4th Street, Suite B. Combined with counseling, MAT has been shown to be effective in the treatment of opioid disorders. The MAT clinic provides medication that can help control cravings and the chemical impacts of substances. To learn more about GLRC's MAT services please visit our website [here](#).

Prevention Services

GLRC facilitates both substance abuse and suicide prevention programming throughout the UP. Through this work, we strive to reduce the stigma around mental health and substance abuse.

Through Prevention Services GLRC staff:

- coordinate Communities that Care (CTC) in six Upper Peninsula counties;
- offer evidence based programming in 12 school districts;
- work with the juvenile courts;
- coordinate the Mental Health First Aid (MHFA) Initiative across the UP;
- provide Narcan training to law enforcement, medical facilities, and the community;
- have active youth involvement focus groups;
- provide QPR (Question, Persuade, and Refer) training to several communities.

Upcoming Events

GIVING TUESDAY

For this year's #GivingTuesday event we will be raising money for our Compassionate Care Fund. The Compassionate Care Fund was created in 2014 to assist individuals struggling with the costs of behavioral health services. This fund reaches individuals who are seeking GLRC services, that are uninsured, under insured, not eligible for governmental or community funding or do not have the funds to pay for services themselves. The Compassionate Care Fund also helps extend care for individuals when funding has been depleted. To donate online please click [here](#).

Mental Health First Aid - Adult Course, December 4th

Mental Health First Aid is an 8-hour training course that teaches you how to help someone who has a mental health problem or is experiencing a mental health crisis. To register for the class click [here](#).

Beating the Winter Blues Health Fair, February 2nd

Organized by West End Suicide Prevention, 'Beating the Winter Blues' will feature representatives from mental and physical health providers, area non-profit organizations, law enforcement and emergency responders. Participants will be able to learn about all of the different organizations as well as take part in hands on activities, including physical and mental health screenings. There will be something for everyone! The event will be hosted at the Ishpeming Armory.

If you would like to sponsor the event or are a non-profit and would like to have a table please email apoirier@greatlakesrecovery.org. You can also find the sponsorship letter and form [here](#).
