

Dear

Thank you for your interest in becoming a licensed foster parent to provide care for a member of your family.

My name is Sandy, and as a Foster Care Navigator (FCN), I will be able to lend you support before, during, and after the process of obtaining your foster license. I have experience as a foster parent along with other skills that you may find helpful. I am eager to work with you throughout this process to provide support, information, and referrals, should you need them at any time.

My goal as your FCN is to make your licensing and fostering experience a successful one.

Enclosed you will find some additional information that may assist you in this learning process along with my contact information.

I look forward to hearing from you.
