

Great Lakes Recovery Centers is a 501(c)(3) organization that provides behavioral health services, including, mental health services, residential and outpatient substance abuse programming, prisoner re-entry services, trauma assessments, prevention services, peer recovery and more.

GLRC Mission

to empower recovery through hope and change

Core Values

We value:

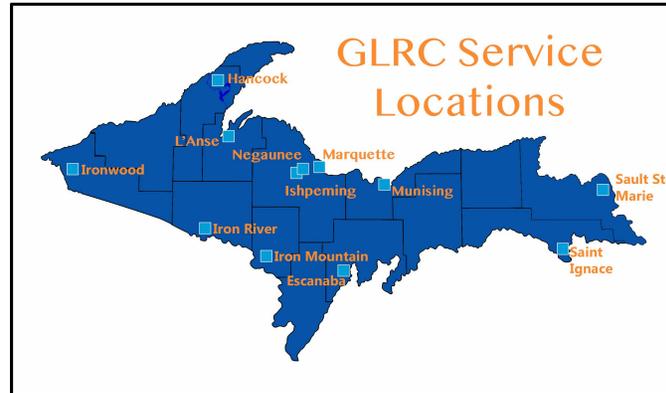

- caring, respect, and empathy for all persons
- a commitment to our clients' recovery
- a strength-based environment for ourselves and our clients
- dependable, trust-based relationships
- service to our communities
- the quality of life through relationships
- a strong and dependable work ethic

Great Lakes Recovery Centers is a non-profit, non-denominational, 501 (c)(3) corporation. Funding comes from a variety of sources. GLRC is a partner agency with the United Ways of Marquette County and the Copper Country United Way.

Locations

GLRC offers a variety of behavioral health services in many communities across the Upper Peninsula.

For more information about the services at any of our locations, call the Access Center at (855) 906-4572 or (906) 228-9696.

Behavioral Health Services

Men's New Hope House

Creating Healthy Communities One Person at a Time

Men's New Hope House

Men's New Hope House has been offering comprehensive, structured residential treatment services specifically geared to men for over thirty years. Our staff members are certified specialists trained in creating treatment regimes uniquely for each client.

The atmosphere at Men's New Hope House is informal, peaceful, safe and supportive. Up to 16 adult men live together, plan and share meals, participate in group therapy, engage in community activities and complete household chores.

We honor the fact that every individual walks a unique path in recovery. Our Native American clients, and others, are encouraged to connect with a variety of cultural and religious groups in the surrounding community.

Individual Treatment

Each resident is assigned a counselor who provides one-on-one services and meets frequently with them throughout their stay. Counselors help residents identify their personal strengths and establish/maintain support systems they will need in order to live in recovery.

Community Involvement

We believe in the healthy effects of giving back to the community and helping others. Our clients participate in a wide variety of treatment.

Continuing Care

Clients often arrive with serious medical issues. On-site consultations and exams are conducted regularly by community based physicians.

Social Detoxification

We offer specialized services to medically stable clients as they withdraw from alcohol or drugs. Clients receive intensive individual attention and counseling, medication management, step down care and transition planning.

Group Therapy

Group therapy sessions are facilitated by qualified staff members and conducted daily. During these sessions, clients focus on acquiring new living skills and learning to put them into practice.

Some of the group programs include:

- Emotional Regulation & Anger Management
- Life Goals Group
- Physiology of Addiction
- Relapse Prevention
- Seeking Safety
- Self Development

Transition Planning

We help to connect clients with the support services that they'll need when they return home. Recovery meetings, employment and house services, family support groups and health services are all necessary to continue down the path to recovery after returning to the community. While in treatment, many of our clients are busy seeking employment and/or housing, dealing with court/legal obligations, restoring their credit, regaining custody of children, addressing health related issues and much more.

Rebuilding Lives & Giving Back

While in treatment, many of our clients are occupied with issues relating to employment, the legal system, personal healthcare and much more. We offer guidance and steer them in the right direction. Clients also learn the joy of giving back to the community through a wide variety of volunteer commitments.

Other Services

GLRC offers a wide variety of behavioral health services across our locations. Other services provided by the agency include:

Foster Care

GLRC's MDHHS Regional Resource Team provides information about becoming a foster parent, supports current foster parents, and provides comprehensive training to those interested in becoming foster parents.

Offender Success

GLRC works with returning parolees in the UP to assist with transition back into the community through our program of resources and case management services.

Peer Recovery Services

Peer Recovery focuses on providing an environment where individuals who are living in recovery work with those who are currently receiving treatment for SUD.

Prevention Services

GLRC facilitates both substance abuse and suicide prevention programming throughout the U.P. Prevention Specialists go into the community to offer evidence-based programming to schools, courts, CPS and businesses.

Residential Treatment

Clients in residential substance use treatment live in a therapeutic environment alongside other clients with 24-hour supervision and access to on-site clinicians.

Veterans Services

GLRC provides readjustment counseling services and a specialized group for veterans in the community. GLRC also works closely with the VA to provide homeless veterans with a place to stay.
