

Great Lakes Recovery Centers is a 501(c)(3) organization that provides behavioral health services, including: mental health services, residential and outpatient substance use programming, prisoner re-entry services, trauma assessments, prevention services, peer recovery, and more.

GLRC Mission

To empower recovery through hope and change

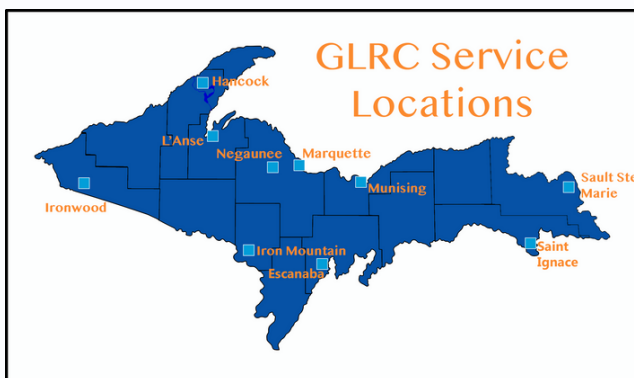

Core Values

We value:

- care, respect, and empathy for all people
- a commitment to our clients' recovery
- a strength-based environment for ourselves and our clients
- dependable and trust-based relationships
- service to our communities
- the quality of life through relationships
- a strong and dependable work ethic

Locations

GLRC offers a variety of behavioral health services in many communities across the Upper Peninsula.

For more information about the services at any of our locations, call the Access Center at (906)228-9696.

Programs & Services

Creating Healthy Communities
One Person at a Time

Programs & Services

Substance Use Disorder Services

GLRC believes that substance use disorder is a disease that impacts the individual, family and community with multiple pathways to recovery. A full continuum of treatment can be provided by caring, trained professionals with the option to include families and support systems at various levels of care.

Outpatient Services

GLRC has outpatient services offices across the Upper Peninsula that provide treatment of substance use disorder. Outpatient services are the first option for those who need freedom to continue working or attending school and are used as follow-up for clients who have completed residential services.

Recovery Housing

GLRC offers both men's and women's recovery housing in several Upper Peninsula communities. Recovery housing provides a safe and supportive, recovery-oriented environment where individuals can begin their life of sobriety.

Residential Services

Residential Treatment allows clients to live in a therapeutic environment, alongside other clients with 24-hour supervision and access to on-site clinicians. The Adolescent Services Center located in Negaunee provides residential treatment for youth between the ages of 12 and 17.

Peer Recovery Services

Peer Recovery focuses on providing an environment where individuals who are living in recovery work with those who are currently receiving treatment for SUD.

Mental Health Services

GLRC clinicians are trained to recognize and personalize a treatment plan for adults, adolescents, and children impacted by anxiety, depression, stress, or relationship conflicts, abuse, trauma, attention disorders, conduct and educational struggles, sexual disorders and other hardships.

Child & Adolescent Psychiatric Services

GLRC established the Child & Adolescent Psychiatric Specialty Clinic to help address the unmet need for psychiatric and specialty mental health services for children and families. GLRC believes that effectively addressing adverse childhood experiences and mental health issues requires access to a full spectrum of services including psychiatric care, specialty assessment with treatment services and clinicians specially trained in trauma, childhood development and family systems.

ESM Trauma Assessments

Child & Adolescent Specialty Services provides comprehensive neuro-developmental trauma assessment services to children and adolescents throughout the Upper Peninsula. This assessment model is designed to screen and assess for the impact that exposure to complex trauma or toxic stress has on a child.

Medical Services

Medical programs are open to the public and staffed by a physician and nurse practitioners who can provide medication assisted treatment along with treatment for health conditions, preventative care, education on health topics, and more. Specialty services include treatment for Hepatitis C, Dermatology, and provision of Ostomy Care.

Other Services

GLRC offers a wide variety of behavioral health services across our locations. Other services provided by the agency include:

Foster Care

GLRC's MDHHS Regional Resource Team provides information about becoming a foster parent, supports current foster parents, and provides comprehensive training for those interested in becoming foster parents. Call (920) 517-8733 for more information.

OS Reentry Services

GLRC works with returning parolees in the UP to assist with the transition back into the community through our program of resources and case management services. For more information call (906) 458-0616.

Prevention Services

GLRC facilitates both substance abuse and suicide prevention programming throughout the UP. Prevention Specialists go into the community to offer evidence-based programming to schools, courts, CPS, and businesses. Call (906) 458-2627 for more information.

Veterans Services

GLRC provides readjustment counseling services and a specialized group for veterans in the community. GLRC also works closely with the VA to provide homeless veterans with a place to stay. For more information call (906) 485-2347.

Group Offerings

GLRC offers many different counseling groups across the Upper Peninsula. The groups vary in topics, but all share the same mission to educate and aid in the recovery process. Contact your local Outpatient Services office to learn about the groups near you.
